

5th BALTIC MEETING
ON MICROBIAL CARBOHYDRATES

2-6 September 2012

SUZDAL, RUSSIA

SUZDAL

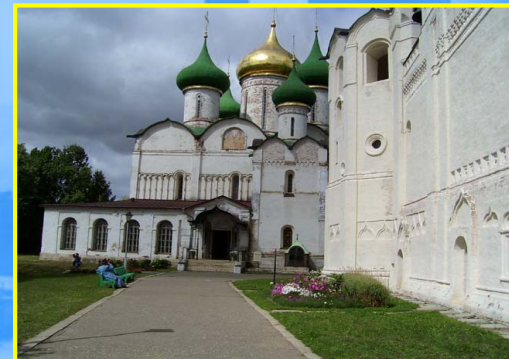

Suzdal is one of the oldest Russian towns, first mentioned in 1024. Yuriy Dolgorukiy, the founder of Moscow, was the prince of Suzdal in the 12th century. Suzdal is a part of famous tourist route The Golden Ring.

Despite the fact that the distance from Moscow to Suzdal is 210 km, it is easy to get there either by comfortable tourist bus or public transport (train or bus).
